

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

QUANTUM CORPORATION,

Plaintiff,

No. C 14-04293 WHA

v.

CROSSROADS SYSTEMS, INC.,

Defendant.

**ORDER RE QUANTUM'S  
PROPOSED ORDER  
RESOLVING DISCOVERY  
DISPUTE**

Quantum has filed a proposed order resolving a discovery dispute in accordance with the Court's ruling at the hearing on August 31. The proposed order does not account for the Court's indication that it will entertain a motion shifting the cost of the data recovery back to Quantum if the recovery turns up highly relevant evidence responsive to Patent L.R. 3-2(a) or a proper request for production. Additionally, the proposed order was submitted without a stipulation from Crossroads. By **SEPTEMBER 3 AT NOON**, Crossroads shall inform the Court whether it has any objections to Quantum's proposed order if the proposed order is modified to allow for a request for further cost-shifting as discussed above.

**IT IS SO ORDERED.**

Dated: September 2, 2015.
